No. 25219 on the Roll

Who, on questioning, stated in French as follows:

I am fully in agreement with the statements of Doctors Pasuch and Daubrasse as regards the length of
our stay at the domicile of Dr Pasuch. I would however like to clarify the following:

As regards the time of the incident, according to me it was between 19.45 and 20.00 hours. I had the
impression that there were two shots (I saw nothing but simply heard, being at a table with my back to
the window). I confirm that at the time of our departure from the domicile of Dr Pasuch, we were
escorted as far as ETO Don Bosco, by Rwandan and French parachutists.

After reading, signs with us hereunder, approving three words struck out.
